You're invited to the Dedication of the Surls Sculpture

**Date:** Friday, August 30, 2013  
**Time:** 6:30 p.m. - 8:00 p.m.  
**Location:** Century Garden in Shaw Park

Clayton adds to its collection of world class public art with the installation of the sculpture by James Surls. The public is invited to the dedication of *Molecular Bloom with Single Flower*. Enjoy a community celebration with the artist, live music, cupcakes, and a kids' craft activity related to the new sculpture.

Funding for the sculpture was made possible by the generosity of the Centene Charitable Foundation and the Clayton Century Foundation.

Project Updates

**Enterprise Holdings Pavilion:** Construction began July 8th on the Enterprise Holdings Pavilion that will replace Shaw Park Pavilion in the center of the park. The pavilion will be a permanent structure that includes seating as well as restrooms. The new structure will reuse the existing stone wall and some materials from the old pavilion including trees from the park. Completion is expected in the fall of 2013.

**Shaw Park Recreational Trails:** The new trails are open. The Landscape Team has begun working to address the erosion issues related to the open dirt along the trail and installing the plants in the gardens. As this work is being completed the contractor will also be cleaning up the paths. As the areas along the path fill in, we hope you enjoy the trails.

**Outdoor Fitness Area:** A new outdoor fitness area has been installed just north of the South Shelter. The fitness area consists of outdoor exercise equipment to promote physical activity among teens and adults.

Petey Daydreams about the New Dog Park Opening

Petey is excited for the Grand Opening of Clayton's new dog park in Anderson Park. Join us for the official ribbon cutting ceremony and opening festivities at the Yappy Hour scheduled for Thursday, September 19, 2013.

**Update on the dog park:** The fence and entryway bricks are now in place. The final steps involve installation of the drinking fountain, gates and benches. We are diligently working to complete the project as soon as possible. Final delays are a result of utility company backlog.
